July, 2010

Dear Parents/Players,

The 2010 season is drawing to a close; The Rep Committee invites you to participate in a Survey of the Rep Program this year.

Your input gives the Rep Committee valuable insight into your experience, providing a sense of the success of the Program at each division and level as well as the success of the coaches selected. The information gained from the surveys is used extensively in the post season coach interviews and it helps shape the direction of the program for next year. If you choose not to participate, the Rep Committee will recognize that as your acceptance of and support for their decisions surrounding the Program.

All comments are welcome, both positive and negative, and will be confidentially reviewed by the Rep Committee, so please be candid. Under no circumstances are they copied or shared with coaches. In the event that a coach is also a director and you do not want the coach/director to see your comments, please forward your survey directly to Greg Erickson, SPMBA President. He will summarize the information and review it with the VP Rep and the appropriate directors. The surveys are destroyed when they are no longer needed.

The survey is straight forward and easy to understand. Feel free to assist your child in completing it, if necessary. Please reply **before July 30th, 2010** to ensure your input is provided prior to Coaches Yearend Interviews. Deliver using one of the following methods:

- sealed envelope marked Confidential placed in the drop box at the Log Cabin (north end) or to the address noted above
- confidential email to vprep@spmba.ca
- confidential fax to 1.866.618.7580 (VP Rep's confidential fax #)

Thank you for your participation. Your contribution is greatly appreciated and if you have any questions or concerns, feel free to contact me directly.
